## **Gan Izzy Classic**

This week we started off with two new counselors all the way from France!

On Monday we learned all about Hachnosos Archim – how special it is to invite guests! The boys had karate and sports! The girls had dance and made paper mache and flower pots in art! We erupted volcanoes and explosions in science!

On Tuesday we showed off our golfing skills with Glow in the Dark Mini Golf! Some lucky campers won on the 18<sup>th</sup> hole!

On Wednesday we learned about honoring our father and mother and added a new twist to Simon says- Daddy says! We also had a science show and we met a funny little guy named Melvin. Melvin made elephants toothpaste!

On Thursday we learned about charity and then we were off to see some pretty butterflies. The 3-d Imax was incredible! Some lucky campers got to pet the sting rays too!

This week was a blast! Looking forward to a great week 3!

## **Kiddie Camp**

This weeks theme revolved around the book “Lets Go to the Farm”. We learned about Kosher, planting and kosher animals.

We planted beans on Monday with Ms. Dalia the planting expert! We decorated our own planters for our plants! We have been watering them and waiting for them to sprout!

On Tuesday we played snakes and limbo! We made really neat ducks using different yellow items around camp! The Mitzvah Moons went to Glow in the Dark Mini Golf and had a great time!

On Wednesday we made a salad and tasted all the fresh vegetables! It was so much fun washing and cutting our own vegetables!

On Thursday we designed our own animal masks and made necklaces! We learned a few new songs with Morah Nureet in music class!

Can't wait to see everyone tomorrow!
